molex ®   # Keystone Wallplates

Features and Benefits

Unloaded Keystone Wallplates are available in 1, 2 or 4 port variants and are designed specifically to accept jacks that fit the Keystone profile.

The Wallplate kit comes complete with screws, labelling and shutters for protection against dust ingress.

Molex keystone profile jacks are ETL verified and support Category 6 and Enhanced Category 5 performance criteria. Jacks are sold seperately.

- Protected labelling facility
- Screws provided
- 1, 2 and 4 port versions
